Parametric Search

• Atmel:
  > Select microcontrollers (from RAM and uCs)
  > Under “Products” select type of uC desired

• Microchip
  > https://www.microchip.com/selection-tools
    - How to use MAPS (Microchip Advanced Parametric Search)
    - Development Tool Selector
    - Microchip Advanced Parts Selector (MAPS)
    - Note that since Microchip now owns Atmel, the above search will show BOTH Atmel and Microchip parts

• TI
  > General parametric serarche
    - http://www.ti.com/tihome/docs/paramsearches.tsp
  > Microntrollers (MCUs)
