<**UPDATE** the header, above. Replace the **X**, **#**, **Lab Title**, and **everything on the top right**. Just double-click anywhere in the header to make changes to it.>

<Re-read this document before each of the first several labs.>

<Before submitting, **remove all of the items** within the < > and items highlighted in yellow.>

REQUIREMENTS NOT MET

<insert any requirements not met, if applicable (if not applicable, write "N/A")>

PROBLEMS ENCOUNTERED

<insert a brief summary of *all* problems encountered>

FUTURE WORK/APPLICATIONS

<insert a brief paragraph describing how the topics covered in this lab could potentially be used for other applications>

THE ABOVE SHOULD BE LIMITED TO THE FIRST PAGE, AND NOTHING ELSE SHOULD BE INCLUDED, WHICH ALSO IMPLIES THAT THIS SENTENCE OF TEXT SHOULD BE REMOVED.

PRE-LAB EXERCISES

\<insert copy of pre-lab exercises from lab document, as well as an answer directly following each of the questions (if not applicable, write "N/A")\>

<mark>THE ABOVE SHOULD BE FOLLOWED BY A PAGE BREAK (ALREADY INCLUDED), AND THIS SENTENCE OF TEXT SHOULD BE REMOVED.</mark>

Lab # Report: Lab Title

Last Name, First Name
Class #: <5-digit class number>
PI Name
Month Day, Year

PSEUDOCODE/FLOWCHARTS

SECTION X (1, 2, etc.)

<insert easily readable pseudocode/flowcharts, when applicable, clearly distinguishing between each part of the lab (write "N/A" if there are none)>

THE ABOVE SHOULD BE FOLLOWED BY A PAGE BREAK (ALREADY INCLUDED), AND THIS SENTENCE OF TEXT SHOULD BE REMOVED.
