Homework 2
Due: Wed, 2 June 2004

Note: Late HW is not accepted!

Instructions
Please write on only one side of each page. Place your name (last name first), due date, and the HW number in the upper right-hand-corner of each page. Staple all pages together in the upper-left-corner. Do not fold your homework. Attach all program listings (if any), i.e., list files. Verify your program solutions on the simulator when possible.
